

# BLASTING ESSENTIALS

The Complete Setup For  
Safety & Comfort

## L4 BLAST LIGHT

Casts a concentrated beam of light to illuminate objects in front of the respirator. (Nova 3 Only)

## DO-RAGS

Increases wearer comfort and keeps sweat out of the respirator.

## RESPIRATORS

RPB® Nova 3® & Nova 2000™ abrasive blasting respirators protect the user from the hazards of blasting and direct filtered breathing air directly to the wearer.

## EAR PLUGS

32dB Noise Reduction Rating. (When used with the Nova 3®, together they achieve a NRR rating of 33dB)

## COOL / HOT TUBES

Blast in comfort by cooling or warming the air supplied to the respirator. It's like having a personal HVAC system.

## BLAST SUITS

Torso, Arm & Leg protection from rebounding abrasive. (S - 4XL)

## KNEE PADS

Knee pads are available for RPB® blast suits for better kneeling comfort.

## GLOVES

RPB® double palmed leather blast & welding gloves are both durable and comfortable.
